Oceania Taekwondo extends its deepest condolences to their family and friends and to the entire Polynesian Taekwondo community.

President John Kotsifas  
Oceania Taekwondo

In this time of pandemic, Polynesian Taekwondo is grieving and losing its coaches, trainers, and Masters.

After the death of Temauri Foster on August 20th (vice president of Taekwondo Polynesian club, former minister and also 1st Tahitian French champion of Taekwondo in 1980), we also regret losing Enoha Tehahe this August 31<sup>st</sup>, 2021. Enoha had founded Manava Taekwondo club on Paea before joining Tamarii Punaruu club where he trained many young people and shared his knowledge. Enoha was also an excellent referee and was always ready to dedicate himself to our youth.

In June 2019, both gentlemen participated in the WTO referee and coach accreditation courses in Excelsior with WTO presenter Denzil Ray.

The federation Polynesia Taekwondo sends sincere condolences to both families and loved ones.

May your gentle souls rest in peace.
