Re: Registration for the 2022 Pan Am Para Taekwondo Open Championships April 15th, 2022 - Rio de Janeiro, Brazil.

Dear Sir/Madame,

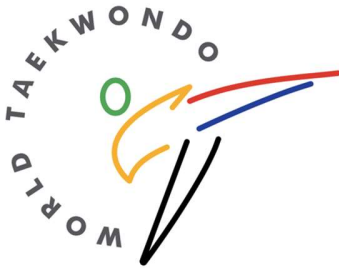

I send you my warmest greetings from World Taekwondo.

The 2022 Pan Am Para Taekwondo Open Championships will be held in the Rio de Janeiro, Brazil on April 15th, 2022. This event is organized by Brazilian Taekwondo Federation and is recognized by WT. It holds a G4/G2 World Para Taekwondo Ranking in Kyorugi (K40 classes) and will be open to athletes worldwide. Classification of athletes will be held one day before the competition on April 14th, 2022.

We advise that you register your team as soon as possible and contact the organizer for visa invitations. To register please use the following link: <https://worldtkd.simplycompete.com/events>.

To make athlete classification and tournament registration as smooth as possible we highly recommend that you do the following:

1. Register any new athletes for a WT License through the Global Membership System (GMS)
2. Renew existing WT Licenses for your athletes in the GMS
3. Ensure that you have access to the World Taekwondo Classification System (WTCS) so that new athletes can be registered and Medical Diagnostic Forms (MDFs) can be uploaded. To activate your user account in the WTCS please click on WTCS Account Request Form on the following link: <https://db.ipc-services.org/wtcs/app/login> . Fill out the form and send it to para-tkd@worldtaekwondo.org. A username and password will then be sent to the communicated e-mail address.

4. Upload information on your athletes along with the MDFs and photos to the WTCS.
5. WT will review the information and then inform you if the athlete meets the Minimum Impairment Criteria (MIC) or not.

In the case you have any questions, please do not hesitate to contact World Taekwondo at para-tkd@worldtaekwondo.org.

Remember to register your athletes for the tournament and upload MDF's no later than April 8, 2022.

We look forward to your registrations and seeing your team in Rio de Janeiro, Brazil.

Sincerely yours,

Olof Hansson
